Student of Arts

WORK EXPERIENCE

Bhutan Esports Association | March 2026

- Captured live event footage during the Bhutan Esports National Championship focusing on gameplay, player moments and audience engagement
- Edited short-form videos for TikTok, creating dynamic and engaging content aligned with esports trends
- Produced fast-turnaround content to maintain consistent social media activity during the event
- Applied storytelling techniques, transitions and sound design to enhance viewer engagement

Namas Design and Build | January 2025

- Designed and developed the company website to showcase architectural projects.
- Structured project galleries to highlight residential and commercial works.
- Focused on clean layout to match architecture industry aesthetics.
- Optimized website for responsive viewing (desktop & mobile).
- Prepared content sections for services, portfolio and contact.

Inter-College Film Competition on Women's Empowerment | November 2024

- Collaborated with a creative team to conceptualize and produce a short film focusing on women's rights and empowerment through storytelling.
- Contributed to planning, filming and visual composition but mainly focused on acting.
- Supported coordination of production activities including location setup, shot preparation and team collaboration.
- Assisted in post-production processes such as color correction and color grading.
- Successfully achieved First Place in an inter-college competition recognizing impactful storytelling and creative execution.

PROJECTS

Esports Documentary, Gaming Addiction (College Project) | May 2025

- Participated in planning and filming documentary exploring gaming addiction among Bhutanese youth.
- Conducted interview coverage with Sherab Lhaden.
- Assisted in shot composition, storytelling structure, pre-production writing and post-production editing using DaVinci Resolve.
- Captured supporting visual footage to strengthen narrative communication.

Unknown Bhutan, Travel Website (College Project) | March 2025

- Designed and developed a full-stack website promoting lesser-known destinations in Bhutan
- Created a modern, minimalist brand identity including logo, color system and visual language
- Built responsive web pages with a focus on user experience, accessibility and performance
- Structured content and layout to highlight hidden travel experiences and improve user engagement

CERTIFICATES

Certificate of Leadership

Bhutan Youth Summit | 2026

Certificate of 1st Place in Quiz Competition

BShari Higher Secondary School | 2021

Certificate of 1st Place in Spelling Bee
